WINGS OF HOPE

BREAST CANCER FOUNDATION

4TH ANNUAL CHARITY GOLF TOURNAMENT

Monday, August 12, 2024

Glencoe Golf & Country Club

Our Purpose

Wings of Hope is a registered charitable organization that provides financial assistance to breast cancer patients allowing them to focus on their recovery. Patients who are receiving or have received treatment from the Tom Baker Cancer Centre are eligible for direct financial support through our programs which provide funding for basic necessities like groceries, shelter and utilities. No individual should carry the weight of financial burdens while fighting for their life.

Over 95% of Funds Raised Goes Directly to Patients in Need

As a result of being 100% volunteer-run, over 95% of funds raised by Wings of Hope goes directly to patients in need. All Wings of Hope donations provide funding to help low-income individuals who have exhausted all other means of financial support. Assistance from Wings of Hope is often the last resort for these patients.

Our 2023 Event

The amazing and continued generous support of our loyal sponsors and donors made our first three annual golf tournaments such a tremendous success, raising over \$222,000! We are very excited to have the opportunity to host our Fourth Annual Wings of Hope Golf Tournament at the beautiful Glencoe Golf & Country Club on Monday, August 12, 2024. Your continued support allows us to provide our clients with essential financial resources.

After receiving positive feedback from our 2021, 2022 and 2023 events, our Golf Tournament will continue to be a tee time based event with optional live scoring and leaderboard updates available on your phone. This year's tournament has a number of elements aimed at enhancing each player's experience, including on course food and drink stations (and the return of the Prosecco Cart!), hole in one opportunities to win luxury vehicles, high end raffle items, jewelry shopping and live music accompanying lunch/dinner on the Glencoe patio after the round. We sold out quickly for 2023 and are hoping to do so again with the help of our generous sponsors!
